Part of planning the perfect wedding is finding the ideal venue. In Yorkton, many couples choose the Gallagher Center as their place to feast, dance and celebrate their vows with friends and family.

Your special day deserves special attention. Our team will make every effort to help make your occasion perfect and an experience that your guests will never forget. Every aspect of your day is meticulously thought out from wine selections and menus to centerpieces and silverware, room layout and decor.

The Gallagher Center and Parkland Catering specialize in the planning, preparation, and catering services that accompany an event. Our team will work as one to custom build your event to suit your preferences and your needs.

The National Bank Conference Place is a large facility that can be divided into three separate rooms depending on the needs of your wedding. We can host the ceremony in one or all of the sections and transform the room for dinner all in the blink of an eye. National C located at the south end has a wall of windows, and access to a deck area.

Amenities include the availability of coat check service, round banquet tables or long 8-foot tables, a fully equipped bar area, an excellent sound system, and plenty of parking.

While we have a wide variety of menu and service options to choose from, we realize that may not always meet your requirements. Please discuss your special requests with us, so we can provide you with pricing and availability based on market cost.

Please review our Gallagher Center Wedding Package which includes the starting blocks to your planning process. Inside you will find details on menu selection, bar services, pricing and many other small details that will all come together in the end to create your special day.

Once you have read through everything please do not hesitate to contact us to go over any questions, or perhaps come in for a site tour. We look forward to working with you and being part of your special day!

Sincerely,
